Suggested Learning for School

This term, children will begin to bring home a weekly Family Reading book of their choice. Please take time to enjoy reading this book with/ to your child taking time to discuss unfamiliar words and what is happening in the book. Please return books each Monday so children can visit the school library and choose their next book.

Later in the term, children will receive a weekly reading book. These will be broadly matched to their reading ability. Please support and encourage your child to read these, supporting with unfamiliar words.

Practise telling o'clock and half past times on digital and analogue clocks.

Recite numbers to 20 (progressing to 100).

Count in 2s, 5s and 10s.

Practice number formation.
