

WHAT IS ADVOCACY?

You have rights at any age and it's important you know what they are.

Did you know you have the right to speak up for yourself when adults are making decisions for you?

Advocacy will support you and make sure that your voice is heard when decisions affecting you are being made.

SO, WHAT WILL AN ADVOCATE DO?

Help you speak up for yourself or speak on your behalf if that's what you want.

Listen to your concerns or worries and help you to act on them.

Be open and honest with you. Help you challenge decisions. Help you prepare for meetings. Explain to adults how you are feeling.

Explain to you what is happening and what is planned to happen.

Help you to sort out a problem if you are thinking of making a complaint, a claim of discrimination or an appeal

An advocate will not: judge you, tell you what to do or talk to anyone else without your permission-unless you've told them that they can!

HOW TO GET SUPPORT?

You can speak to your family, school, youth worker or socialworker about getting an advocate.

You can also contact SNAP Cymru directly and speak to a Family and Young Persons Officer.
