We would like to invite you to join us for our Meet The Team sessions that will run next week. These events will provide an opportunity for you to meet with the members of our staff team who will be working alongside your child this year. As well as the opportunity to put names to faces, these events provide a chance to share information about routines and expectations so that you can help your child feel prepared and confident about their year ahead. Teams will also give you an insight into what children will be learning, how you can help them at home and also the chance to visit their classroom and ask any questions you may have.

Each year group will run two sessions. We hope this will help families who would like to attend more than one year group meeting. For families who are unable to attend, information will be available on our school website by the end of the day on Friday 13<sup>th</sup> September.
