

Dear Parents/ Guardians,

As your child has been selected to attend the STEM week at West Mon School next week we thought it would be easier to send a letter with some further information.

Pupils will need to be at George Street at 9am on Monday ready for the minibus to collect them at 9.15am. As Monday is an INSET day at George Street, school is not open to pupils so we will not be able to allow them into school before this time and no breakfast club will be available. Your child will be dropped back off to George Street at approximately 2.30pm. Please be aware that your child will need to be collected at this time or given permission to walk home at this earlier time.

The rest of the week, children will be able to come into breakfast club or school as normal and leave at the usual time. On Wednesday, West Mon have arranged a trip to 'We the Curious' in Bristol. This is a fantastic trip for the children and we are sure they will enjoy it. We are assured that pupils will be returned to school by the end of the day, however traffic may delay them slightly so please bare this in mind.

If for any reason your child is absent or poorly, please contact the office as usual. Lunches will be provided by West Mon for the week, however if you would prefer your child to take a packed lunch you are welcome to provide them.

This is a fantastic opportunity for your child and we are sure they will make us very proud!

Many thanks

Miss Larcombe and Mrs Lloyd
