Staff members leading the clubs will send a sign-up form via text to all families. If your child is interested in joining a club, please complete and submit the form.

Once the sign-up period has closed, staff will contact families to confirm whether their child has been selected to take part. If you do not hear back, unfortunately, your child has not been offered a place this time. They will also inform you of pick-up points.

We appreciate your understanding and support, and we hope your child enjoys the opportunities available.
