| Autumn | Tuesday<br>01.09.26 | Monday<br>26.10.26 | Friday<br>30.10.26 | Friday<br>18.12.26  |
| Spring | Monday<br>04.01.27  | Monday<br>08.02.27 | Friday<br>12.02.27 | Friday<br>19.03.27  |
| Summer | Monday<br>05.04.27  | Monday<br>31.05.27 | Friday<br>04.06.27 | Tuesday<br>20.07.27 |

### Inset Days

Tuesday 1<sup>st</sup> September 2026

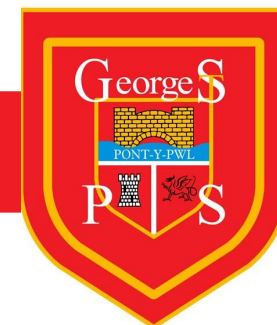

Thursday 17<sup>th</sup> September 2026

Friday 13<sup>th</sup> November 2026

Monday 5<sup>th</sup> April 2027

Friday 7<sup>th</sup> May 2027

Monday 21<sup>st</sup> June 2027

# Snack

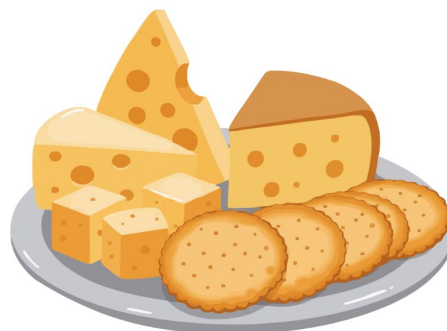

We are a healthy school. Please provide your child with one healthy snack and a healthy drink for their time in nursery.

Fruit

Cereal bars

Cheese and crackers

Water bottle

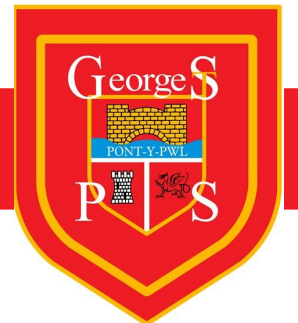

# ClassDojo

We use ClassDojo to share information and lovely pictures of the children's day!  
Make sure you sign up so you don't miss out!

**ClassDojo**

## School Uniform

Children can wear our school uniform to nursery. Most importantly, please make sure clothes are easy for the children to pull on and off for toileting.

PLEASE MAKE SURE ALL CLOTHING AND BELONGINGS ARE LABELLED.

# Messy Play

A little note about messy clothes!

In Nursery, we love to give the children lots of opportunities to explore, investigate and get stuck into their learning. This means they may sometimes come home a little messy – whether that's from paint, mud, water, sand or something else they've been busy exploring!

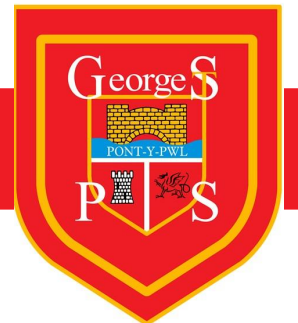

We do our best to protect clothes, but sometimes mess is all part of the fun. Please send your child in clothes that you don't mind getting a little dirty and make sure they have a spare change of clothes in Nursery.

A messy child often means a busy day of playing, exploring and learning!

# Outdoor Gear

It would be really helpful if children could bring and keep in nursery/their bags a pair of wellies and a waterproof coat and bottoms/one-piece rainsuit. We will be enjoying the great outdoors in all weathers! Our dedicated Forest School day is a Thursday.

# Our Nursery Learning – Seize the Season

Throughout the year, we will **Seize the Season** by making the most of what is happening in the world around us. This might include noticing changes in the seasons, exploring nature, or enjoying special celebrations and events together.

Children will have lots of opportunities to explore these through stories, songs, creative activities, cooking, outdoor adventures and play. We would also love to hear about any celebrations and traditions that are special to your family so that we can share and celebrate these together in Nursery.

# Our Nursery Learning - Celebration Weeks

Throughout the year, every child will have their own **Celebration Week**. This is a special week where we spend a little extra time observing your child as they play, finding out more about their interests and celebrating all the things that make them unique.

Before your child's Celebration Week, we will ask you to share a little information about what they are currently interested in, enjoying or doing at home. We will use this alongside our observations in Nursery to help us plan meaningful experiences that build on their interests and support their next steps in learning.

At the end of the week, we will share what we have noticed and celebrate your child's learning and development with you.
