Annwyl Parents/Carers,

I am delighted to inform you that our after-school clubs will begin during the week commencing 5th October.

We are incredibly fortunate to be able to offer such a wide range of opportunities for our pupils. I would like to take this opportunity to thank all the staff who have volunteered to run a club. These clubs are offered on a voluntary basis and are run in staff members' own time. Once again, this demonstrates the commitment, dedication and care that our staff have for the children of George Street Primary School. We are extremely grateful for their support.

Please find below a timetable of all clubs that will run across the three terms, along with the dates for each club.

Next week, invitations will be sent to children for all available clubs. Once these have been returned (closing date is 23rd September), staff will collate the responses and do their very best to accommodate as many children as possible. However, we do need to be mindful of group sizes to ensure that clubs remain safe, enjoyable and effective for all participants.

Once places have been allocated, staff will send a text message to families whose child has been successful in gaining a place in a particular club.

If you have any questions after receiving confirmation that your child has secured a place, please contact the school office and leave a message for the member of staff running the club. They will get back to you as soon as possible.

Thank you for your continued support. We look forward to seeing the children enjoy the many exciting opportunities available to them this year.

Kind regards

K.Manley
